SuperMarket Image**PLUS** Mats

EMPHASIZE YOUR TARGET SALES AREAS!

Improve your store's appearance and reduce accidental slips and falls with these outstanding 3'x10' SuperMarket Image**PLUS** Mats. These innovative designs are produced with Nylon 6,6 yarn which is dyed with injection technology. To prevent movement on the floor, the mats are backed with a premium nitrile rubber, embedded with a firm gripper pattern.

In addition to providing a more pleasant atmosphere for your customers and employees, these mats capture water, dirt, and grease that otherwise would be tracked indoors. And their floor-hugging rubber backs make areas safer. For a more welcoming environment, there's nothing as inviting or effective as a SuperMarket Image**PLUS** Mat.
