## Workplace Image**PLUS** Mats

Workplace Image**PLUS** Mats provide location identifiers throughout your facility while keeping your floors clean. These mats feature a 100% nylon 6,6 carpet fiber face for long lasting durability and performance. They are also backed with a premium nitrile rubber nonskid backing for added safety. More importantly, they capture dirt and grime so floors remain cleaner, longer.

The Workplace Impressions designs are creative and fun, and with their contemporary color schemes, they are sure to coordinate, enhance, and complement any interior.

These mats are the perfect fit for today's image and safety conscious consumers.
