**CHESTER, PA:** Health Mats Company received a plaque from ACME this week for contributing to Project Azalea, an initiative to retro-fit 71 stores in 8 weeks. ACME's acquisition of A&P, Pathmark, and Super Fresh stores included locations in Pennsylvania, Delaware, New Jersey, New York, Connecticut and Maryland. Health Mats Company provides walkway safety solutions and ergonomic mats for commercial buildings. Health Mats will be used to promote health and safety in produce, meat, deli, bakery, customer service, cashier, and entrance areas of a grocery facility. Health Mats also delivered 50 lb bags of salt to the new locations during the snow storm in January.
