HEALTH MATS SPONSORS EAGLES AUTISM CHALLENGE AND PARTICIPATES IN FUNDRAISING FOR AUTISM RESEARCH IN PHILADELPHIA

A Major Fundraiser for Autism Research and Programs

For Immediate Release

12/20/2018

CHESTER, PA: On May 18, 2019, Health Mats will be a sponsor and participate for a second year in the Eagles Autism Challenge. Team Health Mats will join the entire Philadelphia Eagles organization and thousands of supporters as they collectively ride, run or walk to raise funds for cutting-edge autism research and programs. One hundred percent of participant-raised funds benefit autism research and programs at a coalition of leading institutions in the Philadelphia area including Children's Hospital of Philadelphia, Drexel University and Thomas Jefferson University and Jefferson Health.

"This event is a great opportunity to support research that will benefit individuals and families affected by autism." Vince Del Rossi, President

In 2018, Team Health Mats raised \$6,613.00 and the goal is to exceed that amount in 2019. Team Health Mats is looking for participants to join us for the 5K; each participant is required to raise a minimum of \$350.00.

"We are motivated to raise money for autism research because we know that some of our most respected hospitals in our region are benefitting from the event." Kris Smith, Marketing Manager
