## HEALTH MATS CELEBRATES 50 YEAR ANNIVERSARY

Celebrating 50 years in the Textile Rental Industry

### For Immediate Release

1/08/2019

**CHESTER, PA:** In April 2019, Health Mats Company will celebrate 50 years of providing mat rental programs to commercial properties in the Greater Philadelphia region. The company started in the 50's as a diaper cleaning service and established as a commercial floor mat company in 1969.

VISIT HEALTH MATS TO LEARN MORE: [www.healthmats.com/health-mats-50th-anniversary/](http://www.healthmats.com/health-mats-50th-anniversary/)

Health Mats has a loyal family of customers in PA, DE, NJ, and MD who know and appreciate the company's dedication to walkway safety. The industrial laundry provides a regular program that cleans floor mats for customers in higher education, health care, commercial property management, manufacturing, retail, and food service.

To celebrate Health Mats will be a sponsor and participate for a second year in the Eagles Autism Challenge. Team Health Mats will join the entire Philadelphia Eagles organization and thousands of supporters as they collectively ride, run or walk to raise funds for cutting-edge autism research and programs. One hundred percent of participant-raised funds benefit autism research and programs at a coalition of leading institutions in the Philadelphia area including Children's Hospital of Philadelphia, Drexel University and Thomas Jefferson University and Jefferson Health.

***"This event is a great opportunity to support research that will benefit individuals and families affected by autism." Vince Del Rossi, President***
